**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a consumer who supports Broadband competition.

Stop doing the work of Comcast and AT&T and other big monopolies.

I want Net Neutrality.

I want other competitors to be able to piggy back on the access that the public has already given to providers like Comcast and AT&T. They don't deserve so much privilege. Consumers are paying dearly for this.

I have two options for Broadband, and both of them are not great.

Thanks, John Mayerhofer
